THE RESOURCES

Manises offers you the possibility of getting to know its history, culture and ceramics in group and for free through these 3 important resources:

Historical center

Walking through the historical center you can discover this legacy and get to know first-hand its emblematic monuments and enjoy its façades, streets and parks decorated with ceramic of different styles.

MCM - Museo de Cerámica de Manises

In the MCM you can make a historical tour through the ceramic production made in Manises from the 14th to the 20th century. Moreover, it has a technology room with instruments and tools for the elaboration of ceramics and with an art ceramics room with ceramics of international contemporary creation.

MUMAF

Inside, you will contemplate a set of cameras which range from the last decades of the 19th century to the arrival of digital photography.

This set is completed with photographs and pictures of the city of Manises in which its people, customs and festivities are portrayed.

THE CRAFTSMEN

ARTURO MORA'S WORKSHOP LUSTREWARE CERAMIC

Workshop specialized in the medieval lustreware technique. During the visit, you will get to know the elaboration process of lustreware and how a piece is made on the potter's wheel. You can even sit down to make a piece of pottery under the artisan's instructions.
